Dear Pastor and Men's Leader

Men's ministry is important, so we are excited to be presenting our eighth annual live and in person **Iron Sharpens Iron International Men's One Day Equipping Conference**, which takes place on **Saturday April 4th in Coquitlam**. Anchored by keynote speakers Dr John Neufeld, radio preacher for Back to the Bible Canada, and Chris Boyko, Head Strength and Conditioning Coach for the BC Lions Football Club, we are bringing together ministries and presenters from across the continent who are focused on building men for Christ within the local church.

We know the benefits of men's ministry. We recognize its huge potential for every church in building not only its men of all ages, but its families, ministries and greater community. Men make a difference.

This is the **ISI Promo Pack for Iron Sharpens Iron – Vancouver 2020**. It consists of a **poster**, a few **brochures**, several **"Save the Date" wallet cards**, and this **invitation**.

Join us. Bring your men to the conference and shepherd them through the keynotes and seminars. Be sharpened yourself. Build relationships. We are not pursuing your men; that's your privilege. We want to help each one to be fully engaged in his own church. And if he has no church, we want to point him to one near him.

A **Promotional Video, Hints for Mobilizing your Men** to almost any event, and other **downloadable resources** can be found on our CSB BC website at:

www.csbbc.org/isi-vancouver-2020

We are here to serve you. Please call or email us if you need hard copies of the downloadable resources, more wallet cards, brochures, or some encouragement, or just want to ask a question about what happens at the conference. The Lord has blessed us with good conferences for men every year. This year, there is a need for faith that we are where the Lord wants us – providing a great conference for a good crowd of men seeking God. **We invite you to use this conference to build your mighty men of God who will serve Him and others.**

Thank you for your time.

God bless you and your ministry.
