Builder & Sentinel Stars

This location is used for the cloth patches earned as a boy in Stockade.

"CSB Shield" Insignia is provided pre-sewn on every leader's uniform. Its location provides the centerline which determines the position of all the other uniform badges, patches and pins.

Awards Earned as a Boy

Battalion awards—One, Two and Three Star pins above the Explorer, Trailblazer and Guide pins.

Stockade awards—Builder Star pin, Builder Pin, Sentinel Pin, then Sentinel Star pin.

Herald of Christ Gold Pin

This is the highest award earned by a young man in CSB. It is worn above the heart, indicating the leader's love for Christ.

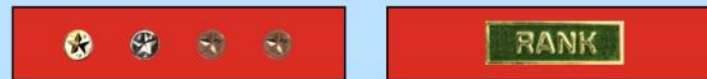

Herald of Christ Silver Pin

This award is presented to leaders who have completed the requirements of the *Herald of Christ for Men*. It may also be awarded to those who have demonstrated by a lifetime of action their commitment to Christ through CSB. It is worn to the left of the boy's award.

Red Leader's Bars and Epaulets

These identification markings are pre-sewn on every leader's uniform. Service Stars are located on the right bar. The leader's rank bar is on the left.

Service Stars

These provide the leader with recognition for his years of service: Bronze is for 1 year; Silver is for 5 years; and Gold is for 10 years.
